

Information about price revision for Mistresa options and consumables

Thank you very much for your continued support.

We apologize for the inconvenience, but we would like to inform you of price revisions for Mistresa optional items and consumable items as stated above.

Due to the recent rapid rise in component prices, it has become difficult to supply products at current prices, and we have no choice but to revise our prices.

We would appreciate your understanding in this matter.

1. Products

All optional and consumable items for all Mistresa models

2.Price revision details

Approximately 15% increase

3.The date of revision

From orders received on December 1, 2024
